## HTR3E Ab

References(1) Images(2)

| Cat.#: DF2708<br>Size: | Concn.: ~1mg/ml<br>Source: Rabbit                                                                                                                             | Mol.Wt.: 51kDa<br>Clonality: Polyclonal |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------|
| Application:           | WB 1:500-1:2000, IHC 1:50-1:200<br>*The optimal dilutions should be determined by the end user.                                                               |                                         |
| Reactivity:            | Human                                                                                                                                                         |                                         |
| Storage:               | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. Store at -20 °C. Stable for 12 months from date of receipt. |                                         |
| Purification:          | The antiserum was purified by peptide affinity chromatography using SulfoLink <sup>TM</sup> Coupling Resin (Thermo Fisher Scientific).                        |                                         |
| Immunogen:             | A synthesized peptide derived from human HTR3E, corresponding to a region within the internal amino acids.                                                    |                                         |
| Uniprot:               | A5X5Y0                                                                                                                                                        |                                         |

<code>IMPORTANT:</code> For western blot, incubate membrane with diluted primary Ab in 5% w/v milk , 1X TBS, 0.1% Tween®20 at 4°C with gentle shaking, overnight.

For Research Use Only. Not for use in diagnostic and therapeutic procedures. Not for resale without express authorization.
